

Come have a ball with us at Grandview! Meet the kindergarten and special area teachers of Grandview-STEAM, art, physical education, music and participate in fun activities in their classrooms.

## "Kicking" Off a Great Year for Our Future Kindergarteners

While the students are enjoying the kindergarten readiness activity, our principal, Mr. Bisi, will be conducting a meeting for parents with children entering kindergarten in the school year 2020-2021. He will discuss the procedures for registering your child for kindergarten. This will allow the children to build independence and attend the activity alone.
